

VERIFICATION

of conformity with European Directive

Order No.: 1308105
Type of equipment: Vacuum cleaner
Document holder: Dustcontrol
Kumlagårdsvägen 14
SE-145 63 Norsborg
Sweden
Manufacturer: Same as above
Type designation: DC 1800 EX, DC 1800, DC 2900
Technical data: 230V, 50/60Hz, 1300W, 16A, Class I, IP54

A sample of the equipment has been tested for C E - marking according to the following EC directive(s): The Low Voltage Directive (LVD) 2006/95/EC

Standard(s) used for showing compliance with article 2 of the directive:

<i>Standard(s):</i>	<i>Test report(s):</i>	<i>Issued by</i>	<i>Date(s):</i>
EN 60335-1:2002+A11+A1+A12+A2+A13+A14+A15 , Ref. No. 1225254, Intertek Semko, 28 January 2013 EN 60335-2:2009, EN 62233:2008			

The referred test report(s) show that the product complies with standard(s) recognised as giving presumption of compliance with the essential requirements in the specified EC Directive(s).
On this basis, together with the documentations for the EMC Directive and the manufacturer's own documented production control, the manufacturer (or his European authorised representative) can draw up an EC Declaration of Conformity and affix the CE marking.

Intertek Semko AB
Household Appliances and Tools

Mikael Anar

Intertek Semko AB is Notified Body to the Low Voltage Directive 2006/95/EC, Machinery Directive 98/37/EC, Medical Devices Directive 93/42/EEC, EMC Directive 2004/108/EEC and Radio and Telecommunications Terminal Directive 99/5/EC.
Our Notified Body number is 0413.

This Verification is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client is authorized to permit copying or distribution of this Verification. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test/inspection results referenced in this Verification are relevant only to the sample tested/inspected. This Verification by itself does not imply that the material, product, or service is or has ever been under an Intertek certification programme.
